Dear Mary,

I haven't yet had a reply to this email or a substantive reply to my letter of late March. Decisions on the future shape of the cycling programme are now pressing, so if you do wish to be involved in our plans, please get in touch as soon as possible.

Best wishes,

Andrew

Dear Mary,

Thanks very much for your holding letter of 4 April about cycling strategy in which you promised to be in touch. We haven't yet heard anything further from the council. TfL and I are about to start thinking about our 2014/15 LIP guidance and funding round, so if we are to work together we should start the substantive conversations I described in my earlier letter soon. Perhaps you could get in touch with my PA, [REDACTED], to arrange a meeting - or should I ask her to call you?

Best wishes,

Andrew
