I am sending this email on Mary Ney's behalf

Dear Andrew

Thank you for your emails and I am sorry for not getting back to you sooner.

I understand that events have overtaken us and that Cllr Roberts has had a conversation with Isabel Dedring, which included the issue of cycling and we are on track with what we need to do. Tim Jackson, Assistant Director - Transportation, is personally attending briefing on this and conversations re underway. It seem sensible for officers to progress this and to perhaps put our meeting on hold for now.

Many thanks for keeping in touch on this.

Best wishes - Mary

Dear Mary,

I haven't yet had a reply to this email or a substantive reply to my letter of late March. Decisions on the future shape of the cycling programme are now pressing, so if you do wish to be involved in our plans, please get in touch as soon as possible.

Best wishes,

Andrew
